TIME TO WOO.
Go, when the smile of gladness
Is sporting on her lip;
When Love despite of sadness,
The honey-dews will slip.

Go, when the sun declineth
To ocean's liquid blue;
Go, when the pale moon shineth
On the maiden and you.

Go, when the maid is blushing
The beatings of the heart;
Go, when the maid is blushing;
Go, when the tear-drops start.

Go, when the dove is cooing;
And yet I dare not say,
But after all your wooing,
The answer may be, "Nay."

Food of Horses.—The coach proprietors in Scotland who have lately adopted the plan of cutting the hay and bruising the oats before they are given to the horses, save one-fourth the quantity, and the horses are kept in better condition than before. We are aware that there is nothing new in this plan, but hitherto it has not been much adopted. Other persons mix potatoes and turnips with barley dust, straw and salt, which it is said, has been found to be a very nutritious diet for horses.

Judge White is presented by his partisans in Tennessee as the "people's candidate." The Nashville Union points to the inconsistency of a claim of this sort by a candidate who, running without the least hope of his own success, can only hope to defeat an election by the people. "The people's candidate" with a witness!—

Raleigh, Oct. 13, 1836.

Raleigh, September 1, 1836.

FOR five or six years previous to the Spring of 1834, a Negro man of mine had been much afflicted with an ulcerated arm and hand, which rendered him almost useless. The ulcer embraced that part of his arm from the elbow down, including his entire hand, which was literally a mass of putrefaction. A joint of one finger and a part of the thumb, perished and dropped off. A more distressing and hopeless case I have never beheld. It was abandoned by his Physicians as incurable, except by amputation of the hand. The best medical treatment having failed to relieve the man, I placed him under the care of Mr. William W. Gray, in this place, who, with his Ointment, has effectually cured the case, although the Negro was frequently absent for weeks and months together. He has been entirely well for the last eight months, and I have good reason to believe will continue so.

Farmer's View
FOR SALE.

THE Subscriber is anxious to move to the West, and offers for sale his Tract of Land whereon he now resides, lying on Deep River, in Chatham County, twelve miles above Haywood, one and a half below Evans' Bridge, four and a half below the Gulf, and twelve south of Pittsborough; containing Twelve Hundred and Fifty-eight acres; more than one half lays in the Bend of the River, Six Hundred acres of which are cleared, and may be called first and second low grounds. There is a great deal of very good Land to clear, a good site for a Cotton Factory, and a Merchant Mill on the River. One half of this site is owned by Peter Evans, esq. This Tract is less subject to be injured by high water than any tract on the River. It is very level for this section of country, and very productive for Corn, Wheat, Cotton, &c. &c. It is sufficient to support twenty-five or thirty hands can be worked to very great advantage, and the farm made richer every year. The plantation is in good repair, well watered, the situation high and healthy; on it is a large Frame Dwelling House, four rooms below and three above, with six fire places, and a large framed Barn, fifty-two feet by twenty-four; in it is a large Wheat Thrasher and a Cotton Gin, a Cotton Screw, and necessary out-houses. For the information of persons in the lower part of the State, I refer them to Peter Evans, esq. of Edgecombe; he owns the land immediately above me, on the opposite side of the River. I offer to sell part or all, so as to suit the purchaser. I advise those who wish to get a bargain and a good farm to apply and shortly. The subscriber can be found on the plantation at any time.

NOTICE.
TO CLAIMANTS under the act entitled "An act to carry into effect a convention between the United States and Spain." The Commissioner under the above act having this day adopted the following orders, they are published for the information of claimants.

Ordered, That all persons having claims under the convention between the United States and Spain, concluded at Madrid on the 17th day of February, 1834, which are to be received by the Board, do file a memorial of the same with the Secretary of this Board, to the end that they may hereafter be duly examined, and the validity and amount thereof be decided upon according to the merits of the several cases, and the suitable and authentic testimony concerning them which may be furnished in support thereof. The said memorial must be addressed to this Board; it must set forth minutely and particularly the various facts and circumstances which the right to prefer such claims is derived; it must be verified by the affidavit of the claimant.

And in order to prevent unnecessary delay and to expedite the business of this Board, it is further

Ordered, That all the proof necessary and sufficient to support the respective claims aforesaid be filed with the Secretary of the Board at the time of filing the respective memorials thereof; or, on or before the first Monday of December next, to which day this Board will adjourn.

And in order that claimants may be informed of what is now considered by the Commissioner as essential to be averred and established, before any such memorial can be received by this Board, it is further

Ordered, That each claimant shall declare, in his said memorial, for and in behalf of whom the said claim is preferred, and whether the amount thereof, and of any part thereof, if allowed, does now, and at the time when the said claim arose, did belong solely and absolutely to the said claimant, or to any other, and if any other, what person. And in cases of claims preferred for the benefit of any other than the claimant, the memorial to be exhibited must further set forth, when, why, and by what means, and for what consideration, such other has become entitled to the amount or any part of the amount of said claim.

The memorial required to be exhibited by all claimants, must also set forth and certainly declare, whether the claimant, as well as any other for whose benefit the claim is preferred, is now, and at the time when the said claim arose, was a citizen of the United States of America, where he is now, and at the time the said claim arose, was domiciliated, and, if any, what change of domiciliation has since taken place.

The said memorial must also set forth whether the claimant, or any other who may have been at any time entitled to the amount claimed, or any part thereof, hath ever received any, and if any, what sum of money, or other equivalent or indemnification by way of insurance, or otherwise, for loss or injury sustained, satisfaction for which is therein asked; and if any such payment or indemnification has been made, to set forth when and from whom the same was received. And that time may be allowed to claimants to prepare and file the memorials above mentioned, and the necessary proof, it is further

Ordered, That when the Board shall close its present session, it adjourn to meet again on the first Monday of December next, at which time it will proceed to decide whether the memorials, filed with the Secretary, are in conformity to the foregoing orders, and to pass upon the proof and validity of such of them as may be found in conformity to these orders.

Ordered, That the Secretary of this Board do cause three hundred copies of the above orders to be printed for the use of the claimants; and also that the publishers of the laws of the United States at Washington; Portland, in Maine; Portsmouth, in New-Hampshire; Boston, in Massachusetts; Providence, in Rhode-Island; Hartford, in Connecticut; New York, in the State of New York; Philadelphia, in Pennsylvania; Baltimore, in Maryland; Richmond, in Virginia; Raleigh, in North Carolina; Savannah in Georgia; New Orleans, in Louisiana; and also the National Intelligencer, in Washington; and the Commercial Advertiser in Salem, Massachusetts, be requested to publish this notice 3 times a week for six consecutive weeks, and 3 times in the first week of November next.

D. PRATT'S,
Artificial Nipple Shield.
FOR the prevention and cure of Sore Nipples. The following highly respectable certificates are deemed a sufficient recommendation for those who are afflicted in this manner, to try them.

From Doctor Wm. P. Dewees, late Professor of Obstetrics, in the Medical University of Philadelphia.
Doct. EDUARD PRATT:
DEAR SIR: As I feel it a matter of much importance, to possess a means of lessening the terrible sufferings from sore Nipples, I have much pleasure in being able to say, that the "Shield" you offer for the preventing and the cure of this malady, is better adapted to the purpose than any I have heretofore seen. In the two or three instances I have known them to be used, much satisfaction has been expressed; and I have no hesitation to believe it will generally succeed. I am so well persuaded of this, at this moment, that I cannot forbear to express a wish that our city, through the various Apothecaries, may be supplied with them. I am yours, &c.
M. P. DEWEES, M. D.
Philadelphia, Jan. 13, 1834.

From Dr. Thomas Seawall, Professor of Anatomy and Physiology, Columbia College, District of Columbia:
Having examined Dr. Pratt's newly invented Nipple Shields, and witnessed its practical application, among my patients, I take great pleasure in recommending it as decidedly superior to anything previously known. It constitutes a perfect remedy for that distressing malady, Sore Nipples; a disease which so frequently afflicts young women.
